- Our 9 day sale begins Saturday November 8th with 40% off all items and continues for 8 more days with each day increasing the discount up to 80% on all remaining items (if there are any!!) on Sunday November 16th!
- LaserPerformance is opening doors early to institutions, sailing clubs and organizations, schools, and all others in the marine industry for a VIP day November 7th from 9am-6pm. The discount will be 60% off retail on all items. Boat pricing is discounted on a by boat basis. Individuals just need a current business card and photo ID to attend VIP day.
- Bring your LaserPerformance boat in for a free Spiff & Buff during the week of Nov 10th. We have set up a dedicated area in our factory to get your boat spiffed up by the same skilled craftsmen who build them! These folks are the pros at boat building, let them spiff up your boat by fixing minor cracks, dings, and finish off with a shiny buff! By appointment only, call: 401-683-0400
- Tour the factory where we make the Sunfish, Laser, V15 and Club 420!
- Attend free seminars on boat repair and tuning and be entered into a raffle to win a Bug!
